Procedure for ADB-JSP Scholarship Application at Graduate School of Agriculture, Kyoto University

“Special Course in Agricultural Sciences - For the Global Future of Life, Food and the Environment -” is a course targeted at international students and this course is offered entirely in English.

This application targets prospective students seeking Asian Development Bank’s Japan Scholarship Program (ADB-JSP) and selects few candidates for the scholarship. Those selected candidates by the Graduate School of Agriculture (GSA) are recommended to ADB via Kyoto University for the final selection of the scholarship. The final result is expected to be announced by August 2016 and enrollment to the GSA is from October 1, 2016. The duration of the scholarship is two years.

For those who apply to ADB-JSP scholarship must pass the application of Special Course in Agricultural Sciences for October 2016 admission.

Procedure:

1. Check the eligibility requirements of ADB-JSP scholarship from their website. Those who do not meet the eligibility requirements set by ADB are not be able to get recommendation from our graduate school.

<http://www.adb.org/site/careers/japan-scholarship-program/frequently-asked-questions>

2. Prepare the application of Special Course in Agricultural Sciences. For necessary procedure for its application, refer to the application guideline of the Special Course in Agricultural Sciences’ website.

http://www.kais.kyoto-u.ac.jp/english/global30/sp_course_dtl03-2/

3. At the time of application to Special Course in Agricultural Sciences, ADB-JSP Scholarship applicants are also required to send below listed documents together with application documents to the special course.

a) **Information Sheet:** downloadable from the ADB-JSP website

<http://www.adb.org/site/careers/japan-scholarship-program/main>

b) **Income Certificates:** provide proof of your income and that of your family (parent and spouse) of the most recent year available, from the company/organization/institution to which you and the family belong or belonged, with computation of conversion to US dollars.

c) **Application Conditions Checklist:** attached below

Important Notes:

a) A few selected candidates, who passes the application of the Special Course in Agricultural Sciences, are recommended to the Kyoto University from the GSA for the university level screening. Those who pass the

university level screening are sent to ADB for the final selection. ADB-JSP scholarship position is not guaranteed until ADB makes their final decision.

b) The rejected candidates of ADB's scholarship selection are still eligible to enroll the Special Course in Agricultural Sciences as long as they pass the application to the Special Course in Agricultural Sciences from October 2016. However no other scholarships are guaranteed by the GSA.
