

To: Dean of Faculty/Graduate School of Agriculture,

Pledge

In travelling overseas, I understand that my safety, while overseas, is my personal responsibility; I hereby pledge that I will take full responsibility and the utmost precautions for my safety and health while overseas. Accordingly, I agree to and will comply with the following articles.

1. I have received the consent of my family for my overseas travel.
2. I have no known health problems that would restrict my travel abroad. (Please always consult a doctor prior to travelling overseas about known medical conditions, or prescriptions, that may require treatment while overseas).
3. I understand the diseases risks in the countries I will be travelling in, and will receive the necessary vaccinations, as soon as possible, before or after my travel.
4. I take full responsibility for any accidents or sudden illness during my travel, and will promptly notify the Faculty/Graduate School of Agriculture of these.
5. I am aware of the emergency contact details for, and in the case of an emergency will endeavor to contact the Faculty/Graduate School of Agriculture as promptly as possible. Also, I hereby provide my emergency contact details should the Faculty/Graduate School of Agriculture need to contact me in an emergency. (Make sure to provide emergency contact details on Notification of Overseas Travel. If emergency contact details have yet to be confirmed, notify the Faculty/Graduate School of Agriculture as soon as they have been decided).
6. I will obtain personal overseas travel insurance that provides adequate coverage and support services.
7. In the event that weather conditions or the security situation deteriorates, or there is a disease outbreak or a natural disaster in the region or country I am travelling in, I understand that the Faculty/Graduate School of Agriculture, placing first priority on the students' safety, may recommend my immediate return. In such a case, I will immediately follow the instructions given by the Faculty/Graduate School of Agriculture. Also, I agree to bear the return travel expenses, which may be additionally charged as a consequence of following such advice.
8. I will strictly observe the laws, regulations and rules, and behave in a responsible manner with full respect for the culture and customs of the country/area where I am travelling/ staying.
