

Integrative Agriculture for the Future of Food and Life

Hosted on-site & on-line (hybrid meeting)

Date: 13th November 2023 (Mon)

**Venue: Maskawa Hall & Former Head Office of Forest Research Station,
Yoshida North Campus, Kyoto University**

< Programme >

[Morning session]

09:00 Reception Open
09:30 – 09:35 Opening Remarks

Shigeki Sawayama
(Dean, Grad. Sch. of Agric., KU)

09:35 – 10:05 Enzyme Chemistry for Food and Life

Kiyoshi Yasukawa

(Chair of Div. of Food Sci. and Biotech., Grad. Sch. of Agric., KU)

10:05 – 10:50 Finding My Favorite Molecule: Journey from Discovery to Advancement

Mari Shinohara

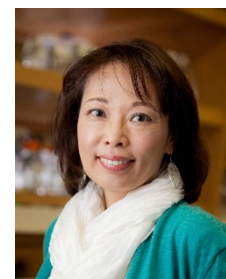

(Professor, Depart. of Integr. Immunobiol., Duke Univ. Sch. of Med.)

11:00 – 12:00 Short Oral Poster Presentation (Display: 08:30 – 15:30)

Young Researchers

(Div. of Food Sci. and Biotech., Grad. Sch. of Agric., KU)

Keynote speaker

Dr. Mari Shinohara

[Afternoon session]

Keynote speaker

Dr. Nobuyuki Matoba

12:00 – 13:30 Poster Q&A time

13:45 – 14:30 Immune Responses against Infection

Sho Yamasaki

(Professor, Res. Inst. for Microbial Diseases, Osaka Univ.)

14:30 – 15:15 Plant-Based Production of Biopharmaceuticals: Innovations and Challenges

Nobuyuki Matoba

(Professor, Depart. of Pharm. and Toxic., Univ. of Louisville Sch. of Med.)

15:45 – 16:20 Social Implementation of Functional Research on Tomatoes and Vegetables

Hiroyuki Suganuma

(Senior Specialist, Kagome Co., Ltd.)

16:20 – 16:55 The Life Science Industry: Accelerating Social Implementation

Koichi Nakao

(President, Takara Bio Inc.)

16:55 – 17:00 Closing Remarks

Wataru Hashimoto

(Vice-Dean, Grad. Sch. of Agric., KU)

Registration (free of charge)
