FZ00	Master's Thesis				

Requirements by Division of Natural Resource Economics

- 1) Attend the lectures and seminars (8 credits) given by your laboratory.
- 2) In order to take other graduate schools' or other divisions' courses and earn credits from them, get permission from our division's office at the time of
- 3) Retaking subjects you have previously completed is not permitted, even if it is an intensive course with a different instructor in a different year. The only exception is retaking seminars of your own laboratory.
- 4) At least 30 credits should be earned and the master's thesis should be accepted as satisfactory.
- 5) Course title with "1" are for first year students and "2" are for second year students.
- 6) Subjects with "@ marks" may be given in English when any international students wish to attend.
- 7) Those who wish to advance to the doctoral program will be assessed upon completion of the master's program.
- 8) If you enroll in April and aim to complete the course in March, register for the "Master's Thesis" during your 2nd (fall) semester as a M2 student. / If you enroll in October and aim to complete the course in September, register for the "Master's Thesis" during your 1st (spring) semester as a M2 student.
